

PERIANESTHESIA EXAM PREP AND REVIEW WORKSHOP

This two day course is designed to prepare perianesthesia nurses to take the Perianesthesia exams and to demonstrate clinical competence and knowledge of practice standards.

COURSE BENEFITS:

You will learn strategies to help you feel less intimidated. Some simple tricks will help you identify the most likely answer to multiple choice questions even before you consider the content. You will leave with a personal study plan and take six practice tests over the two day course that will help boost your confidence.

ASPAN Standards and Practice Recommendations are the foundation of perianesthesia nursing practice. These concepts will be explored and thoroughly covered.

You will be able to identify the types of anesthesia and agents administered in the perianesthesia period.

You will review perianesthesia care of the most common surgeries covering preoperative thorough post discharge care with an emphasis on behavior, cognitive, physiologic, and safety needs of the patient.

You will identify the nurse's role in caring for patients with surgical emergencies and perioperative complications. When the patient is the most vulnerable, the perianesthesia nurse must be the most knowledgeable and decisive. This review will help you be the best advocate you can be when your patient needs you the most. You will identify the professional nurse's role during all phases of surgery. Perianesthesia nursing is a profession that requires skill, science and planning. We will review how those attributes will benefit the surgical patient and help the nursing health care professional to provide best outcomes for his or her patients.

2:15-2:30	Break
2:30-4:30	Systems

On both Saturday and Sunday class begins at:

10:30a Eastern

9:30 Central

8:30 Mountain

7:30 Pacific

The class is recorded. If you drop in a little late or have other obligations, don't worry. **There is not a requirement to attend live.** You will have access to the recordings for two months after class.

This is a live interactive class. We will meet in a virtual classroom. You will see and hear the class over your computer. You are able to ask questions through the moderator by typing into a chat window. You take the same practice tests and will receive 16 contact hours just like the people who are sitting in the classroom.

This web based program does not require that you download anything to participate. You do have to have a broad band internet connection and speakers.

The hand outs and practice tests will be mailed to the address you enter into the PayPal site and should arrive by the Monday prior to class.

Easy to follow instructions for attending class will come in your confirmation email once you register.

This class will be broadcast from Torrance, Ca. You can take the same quality Perianesthesia Exam Prep course offered live without the time and expense of travel and hotel.
